The screenshot shows the Outreach Report form. The title bar reads "SwORD | Map Creator" and "Potential Outreach/Completed Outreach". The form is titled "Outreach Report" and contains the following text:

Please fill in this report for each completed outreach activity. Detailed, accurate and quality data will help us view progress and effectiveness, and re-plan if necessary to help ensure a complete count for California.

If you have a large amount of data entry to complete, we recommend you use the bulk import tool (an Excel spreadsheet) or our API. Both of these may be requested by creating a ticket: [here](#)
